Attendance and Punctuality

Settle College definitions of attendance

Our attendance target for all students is 96%

The visuals below shows the impact of days missed and minutes late on a child's learning.

Why is excellent attendance important?

Excellent attendance and punctuality are essential for students' success at school; establishing positive life habits that enable students to achieve their full potential. Research has found that students with 95% attendance will achieve a grade higher on average than a student with 85% attendance. If a student misses 10% of lessons, then a student can expect to drop a grade.

Through attending regularly, students can:

- Engage in essential learning and other school social events.
- Build friendships and develop social groups.
- Develop life skills necessary for future success

Important Attendance and Safeguarding Reminders.

- Parent/Carers must report absence on every day to the school that a student is absent before 8.30 am via the absence line; 01729 822451
- 2. When absence is due to illness, parent/carers must always inform the school of the nature of the illness.
- 3. If the school is not notified of a student absence parents/carers will be contacted by phone call, text or email by the attendance team
- 4. If parents/carers give no reason for absence, then this is an **unauthorised** absence. Failure to notify school is a **safeguarding concern**.
- 5. If your child is absent for 3 consecutive days, a parent/carer must explain the absence in writing.
- 6. Settle College will request a medical letter when a student is absent for 10 days.
- 7. Term time leave of absence will only be granted by the Headteacher in **exceptional circumstances**, applications must be made at least 3 weeks before the absence.
- 8. Medical and dental appointments should be made outside of school hours, wherever possible. Proof of medical appointments during school times are needed for attendance records.

The school can only authorise absence for the reasons below:

Authorised

- An absence for sickness.
- Medical or dental appointments which unavoidably fall during school time.
- Religious or cultural observances.
- An absence due to a family emergency.
- Sporting events, music/dance/drama exams and competitions, (Deputy Head teacher's approval is required).
- Career or new educational establishment interviews.

Unauthorised

Students who are absent from school without reason.

- Truancy before or during the school day.
- Unexplained lateness after 9.10am (when morning registration closes).
- Studying from home, unless in school Study Leave for GCSEs or A Levels.
- Part-time work

Working together to improve attendance

We are passionate about working with students and families to ensure rapid improvements in attendance. Where improvements in attendance do not occur, please see our Stages of Intervention below:

JISH – can you check the flow chart is correct below

Unauthorised absence

Daily contact from the Attendance Manager.

Fortnightly Attendance Manager and Head of Year meeting to discuss key attendance actions for each year group.

Stage 1: Early Intervention

Attendance pattern is a cause for concern.

Stage 2 – Student Meeting

Student is a risk of overall persistent absence if this attendance pattern continues.

Stage 3 - Attendance Plan

Student is persistently absent (90%). Attendance Support Plan (4 week monitoring period) developed by school, parent and student.

Stage 4 – School Panel Meeting with student and parents

Student is at risk of severe absence if attendance pattern continues.

Attendance contract agreed.

Student is severely absent, 10 or more unauthorised days of absence.

Stage 6 - Legal Interventions

If voluntary support not engaged with by parents/carers Local Authority will proceed with legal interventions.
